Subject: European Master in Official Statistics (EMOS) – certificate 2023-2028

Dear Prof. Mazurencu Marinescu Pele,

Following the decision of the European Statistical System Committee (ESSC) on 25 May 2023 to extend the validity of the EMOS label awarded to your master's programme, I am pleased to forward you the enclosed EMOS certificate valid from spring 2023 to the end of spring 2028. As the Chairperson of the ESSC, I have had the pleasure to witness the statistical community's commitment to invest in the fostering of statistical literacy and education in official statistics. I therefore look forward to our continued collaboration, in developing a vibrant network of EMOS master's programmes in official statistics at a European level.

Yours sincerely,

(eSigned)
